Dear <<first_name>> <<last_name>>:

North Metro Harness Initiative, LLC dba Running Aces (“RA”) recently discovered an incident that may affect the security of your personal information. We want to provide you with information about the incident, steps we are taking in response, and steps you may take to guard against identity theft and fraud, should you feel it is appropriate to do so.
<<b2b_text_1 (CA Residents: This notification was not delayed by law enforcement/Custom Field 3.)>>

What Happened? On or about August 12, 2025, North Metro Harness Initiative, LLC dba Running Aces (“RA”) became aware that it had experienced a data security incident. As part of our incident response protocols, we promptly launched an investigation, notified law enforcement, engaged a national cybersecurity firm to assist in assessing the scope of the incident and took steps to mitigate the potential impact to our community. Unfortunately, these types of incidents are becoming increasingly common and organizations with some of the most sophisticated IT infrastructure available continue to be affected. A third-party forensic investigation determined the incident occurred from approximately July 27, 2025 to August 14, 2025. <<b2b_text_2 (RI Residents: The forensic investigation further determined that the incident potentially impacted approximately <<written number>> (<<#>>) Rhode Island residents/Custom Field 3.)>>

Following a diligent review of the impacted data set, we determined the elements of your personal information that may have been impacted may have included, and potentially were not limited to, your: <<b2b_text_3 (data elements/Custom Field 4)>>. What We Are Doing? As part of our ongoing commitment to the security of information, we are evaluating opportunities to further secure our systems to prevent a similar event from occurring again in the future.

The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, and display your name, current mailing address, and the date of issue.
